

Bill no.:	HR 3893
Amendment no.:	11
H.L.C.	
Date offered:	9/28/05
Disposition:	Not Agreed to by 16 yeas and 25 nays

## AMENDMENT TO H.R. 3893

### OFFERED BY MR. BASS OF NEW HAMPSHIRE

Page 20, line 12, insert “applicable to to refineries and compressor stations” after “the Clean Air Act”.

Page 20, beginning at line 18, strike “in order to enable energy industry facilities, including, but not limited to, refineries, electric power generating stations, and compressor stations,” and insert “in order to enable refineries and compressor stations”.

Page 20, beginning at line 23, strike “such facilities” and insert “such refineries and compressor stations”

Page 20, after line 24, insert the following (and make such technical and conforming changes as may be necessary):

- 1 (b) TERMINATION OF AUTHORITY.—
- 2 (1) IN GENERAL.—As of the date described in
- 3 paragraph (2)—
- 4 (A) the authority vested in the Adminis-
- 5 trator by subsection (a) shall terminate; and
- 6 (B) any rule, guidance, or other measure
- 7 which was established by the Administrator

1 under the authority of subsection (a), and  
2 which could not have been established in the  
3 same form or manner without such authority,  
4 shall cease to be effective.

5 (2) EFFECTIVE DATE.—The date described in  
6 this paragraph is—

7 (A) with respect to refineries, the first day  
8 on which the capacity of operational refineries  
9 in the United States is at least 2,000,000 bar-  
10 rels per day greater than such capacity as of  
11 the date of the enactment of this Act; and

12 (B) with respect to compressor stations,  
13 the date on on which the Administrator deter-  
14 mines that the operational compressor stations  
15 of the United States meet the build-out and re-  
16 liability benchmarks established pursuant to  
17 paragraph (3).

18 (3) BENCHMARKS FOR COMPRESSOR STA-  
19 TIONS.—The Administrator, in consultation with the  
20 Secretary of Energy and the Federal Energy Regu-  
21 latory Commission, shall establish build-out and reli-  
22 ability benchmarks for the compressor stations of  
23 the United States to determine the date on which  
24 the goals of subsection (a) for such stations have  
25 been achieved.
